AMENDMENT

Honorable Commissioner of  
Patents & Trademarks  
Washington, D.C. 20231

Sir:

This is in response to the Office Action mailed October 7, 1994, and having a period for response set to expire on January 7, 1995. A Petition for a One-Month Extension of Time, together with the requisite fee for same, is submitted herewith, thereby extending the period for response to February 7, 1995. The following amendments and remarks are respectfully submitted.

IN THE CLAIMS:

1. (TWICE AMENDED) A pressure waveform setting method for injection pressure control of a resin, comprising the steps of:

adjusting at least one molding condition for injection pressure control of the resin, to generate at least one adjusted molding condition;

performing injection pressure control of the resin, based on the at least one adjusted molding condition;
